I initially raised the issue with local PF office only but it was escalated to you, as local PF office is unable to solve this. You did not specified any solution but to go though the same chain again which is not expected. Where I need to contact again and Do Can I get a number of the officer who would solve my problem,or any and if it was to solved by local pf office why was it escalated in first place who is responsible to solve the problem, how to reach him and what is expected time and who to complain
